

# Men in Recovery

Supporting men on their journey to wholeness

invites you to a

## Meeting of Men who have experienced sexual abuse

facilitated by Stephen Linturn

**Saturday, 24 June,  
9.30 - 12.30 pm in Elgin  
cost: £15 and less for those on low income**

This is the first of an ongoing monthly meeting in Elgin for men who have experienced sexual abuse. All men are welcome. At the moment it is a drop in group, no previous attendance necessary. Please let us know if you wish to take part. It is NOT for men who are abusing or have a history of abusing others.

**please contact us at

for more details and for  
booking a space**

**Stephen Linturn** - Relationship Counsellor,  
Founder of Men In Recovery

*In my counselling practice I have met many clients with sexual abuse histories. I quickly realised that I needed to first resource myself so I could support men on their journey. Men In Recovery grew out of this wish and the realisation that there was almost nothing on offer to men outside of counselling and therapy.*
