

Moray Fundraising Seminar

Supported by:

Tuesday 1st October 2019,
at Elgin Town Hall from 10:00am until 3:00pm

Are you looking for funding and advice to support your project?

If so, we are delighted to invite all organisations and individuals to the next Moray Fundraising Seminar.

So whether you are already an experienced fundraiser or new to the world of fundraising, this is a must attend event. This year we are delighted to welcome along:

To Register please visit: <https://morayfundraisingseminar2019.eventbrite.co.uk>
Or by telephone: 0300 123 4561

Workshop 1 – The National Lottery Community Fund

This session will look at what funding is available through the Big Lottery Fund in Scotland, focusing on their current programmes – looking at what type of work we are trying to fund, our approaches and how to tell us your story when applying.

Workshop 2 - Creative Scotland

Creative Scotland is the public body that supports the arts, screen and creative industries across all parts of Scotland on behalf of everyone who lives, works or visits here. It distributes funding from the Scottish Government and The National Lottery, and these sessions offer an opportunity to ask questions about Creative Scotland funding, guidelines and process, and receive advice on development, advocacy and other sources of support

Workshop 3 - Community Shares Scotland

Do you have aspirations to run a successful community business? Or perhaps you support people and communities with enterprising ideas? Come along to this Community Shares Scotland's workshop to learn more about the community shares funding model and how it helps community businesses grow and thrive.

Workshop 4 – The Gordon & Ena Baxter Foundation

Applying to funders can sometimes feel like a totally daunting and overwhelming task. The Seminar will provide the opportunity for an informal Q&A session about the Foundation's criteria, key features of a good application and 'top tips' to provide sufficient background and information for trustees' consideration.

Workshop 5 – The Robertson Trust

In this session we will look at what funding is available through the Robertson Trust. We'll focus on who can apply, what we can fund, our funding strands, what we are looking for in an application and setting your outcomes and activities.

Workshop 6 – Beatrice Fund

Through our Beatrice offshore wind farm we make around £190,000 per year available for community and charitable projects. Between 2017 and 2021 we expect to invest £950,000 in local projects. We can provide you with advice and tips on how to apply etc.
